Wednesday, August 9

a.m. From Standards to Frameworks and Beyond

- *Explore the new FACS course frameworks and their links to the FACS Standards*
- *Discover how you can share those “lessons that worked” through the FACS Resource Bank*

Presenters: Frameworks and Resource Bank Committee Members
NDATAFACS Annual Meeting

11:30 Recognition Luncheon

State of the State Report

p.m. Concurrent Sessions

Choose from topics related to the FACS content areas. Details will be included in the Call to Conference letter at the end of June.

Post-Conference FCCLA Workshop – Wednesday evening, August 9 & Thursday, August 10

NON-ADVISORS ARE WELCOME!!! This workshop is for any FACS instructor who is looking for additional ways to reach and teach students. Experienced instructors will learn ways to expand the skills they already have. New instructors will gain ideas for advising and for “working smarter, not harder.” Bring your questions and be prepared to share your successes.

Presenter: Marilyn Schoolmeester, MN, a member of the National FCCLA Consultant Team
